Welcome

Mission statement of the church community of Urfahr-Saint Joseph

Guided by the gospel of Jesus Christ, we seek ways to discover God's kingdom of love, justice and peace and make it tangible for the people around us.

In a sensitive attitude towards creation, we treat each other with respect and appreciation. We decide, act and work as a team.

With the surrounding church communities, being part of the parish of Urfahr-Saint Junia, we share the "mission to care" for the people living in our area. We want to be an anchor point for people in most diverse life situations. In doing so, we draw on tradition and try out new things.

- We are an open and welcoming community and are aware of being connected to the whole human family.
- We warmly welcome people who are not members of a church and those with different religious or cultural backgrounds.
- Deaf and hearing-impaired people are an active part of our community. Our services are regularly translated into sign language.
- We publicly demonstrate that people of all gender identities and sexual orientations are accepted here.
- We care for a qualified and contemporary design of liturgy.
- We establish space for spirituality, for sound and music, for creativity, art and culture.
- Our solidarity includes the commitment to the disadvantaged in our surroundings and around the world.
- As a Climate Alliance parish, we raise awareness of climate justice and the
