

# *Summer for the soul -*

*a summer programme*

*from the Catholic churches in the Salzkammergut*

**Are you looking for peace and relaxation?**

Why not spend a few minutes on a deckchair,  
with a view towards our church?

You are also very welcome to enjoy a quiet moment inside the church –  
**our church is open for you.**

**Want to find out more about our church?**

A **QR code** can be found at the literature stand inside  
and in the display case outside.

**A little souvenir to take home?**

A wide selection of **quotation stones** – collected from our river, the **Traun**,  
are available on the literature stand.

Thank you for your time  
and we wish you a wonderful holiday in Obertraun.
